FULL DESCRIPTION

...The kitchen features Silestone countertops and tzalam wood cabinetry, complemented by ceramic flooring and finishes that balance aesthetics with everyday functionality.

Both bedrooms are designed for comfort and privacy, making this residence equally appealing as a personal getaway, a second home or a comfortable place to welcome family and friends.

One of the property's standout features is its private terrace with a plunge pool, offering an intimate outdoor retreat for relaxing, cooling off and enjoying the warm climate throughout the year.

Beyond the residence itself, the condominium delivers a remarkable lifestyle experience centered on art, culture and personal well-being. Residents enjoy access to a spectacular 25-meter swimming pool surrounded by lush tropical landscaping, along with a hydrotherapy pool, equipped fitness center and spa services.

The development also features an art gallery, library, restaurant and poolside bar, creating an atmosphere that feels closer to a sophisticated boutique resort than a conventional residential building.

These distinctive shared spaces encourage relaxation, creativity and social connection while preserving the peaceful character of the
