DESCRIPTION

This boutique residential development introduces a fresh vision of luxury living in Playa del Carmen by combining contemporary architecture, wellness-focused amenities and personalized services within an intimate residential environment. Inspired by nature, textures, landscape and technology, the project creates elegant living spaces designed to promote relaxation, privacy and everyday comfort.

Located just minutes from the beach, Fifth Avenue, restaurants and beach clubs, residents enjoy the convenience of downtown Playa del Carmen while maintaining the exclusivity of a boutique condominium. Interiors emphasize natural materials, marble finishes, wood accents and generous natural light, creating timeless contemporary spaces....
