DESCRIPTION

This 3-bedroom house in Playa del Carmen offers 142.88 m² of construction within a residential community created around family living, wellness and recreation. Its two-story layout provides a practical separation between social areas and bedrooms while maintaining comfortable proportions throughout the home.

The ground floor brings together the living room, dining area and kitchen in an open and functional arrangement. A guest half bathroom and parking for two vehicles complete this level, making the house practical for everyday residential use.

All three bedrooms are located upstairs. The primary bedroom includes a private full bathroom and walk-in closet, while the two secondary bedrooms share an additional full bathroom and provide dedicated closet areas. A service room adds further...
