DESCRIPTION

These 1 to 3-bedroom condos for sale in Bacalar are part of a low-density residential community located directly along Bacalar Lagoon. The development spans 8 hectares and is designed to preserve 70% of the existing vegetation, with residential areas separated by 20-meter buffers of native jungle. Phase 1 is already completed, while Phase 2 is approaching delivery with only a limited number of attractive options remaining.

The residential inventory includes 1-, 2- and 3-bedroom condos across several levels, together with penthouse configurations offering substantial private outdoor areas. The 1-bedroom ground-floor and first-level residences provide 75.21 m² of interior space plus a 20.70 m² terrace, totaling 95.91 m². The 1-bedroom penthouse combines 75.21 m² indoors, an 8.63 m² balcony...
