FULL DESCRIPTION

...The residences are designed to balance comfortable interiors with the natural beauty of the Riviera Maya.

Bright living and dining areas connect to modern kitchens, while private terraces offer additional space to enjoy the warm Caribbean climate.

The result is a residential environment that feels sophisticated, welcoming, and closely connected to nature.

Spacious three-bedroom residences with private terraces

The development presents two principal three-bedroom layouts, each designed for comfort and practicality.

The first configuration offers 104 m² in total, including 90 m² of interior space, a 14 m² terrace, three bedrooms, and two bathrooms.

The second provides 125 m² in total, featuring 113 m² of interior space, a 12 m² terrace, three bedrooms, and three bathrooms.

Both layouts feature open living and dining areas, contemporary kitchens, and outdoor spaces that extend the residential experience beyond the interior.

Whether enjoying a morning coffee, working remotely, or spending time with family, the private terrace adds flexibility to everyday life.

Resort-inspired amenities for every generation

A defining feature of these luxury condos in Corasol is the exceptional variety of amenities planned throughout the development.

Residents can enjoy two distinctive swimming pool areas, tropical gardens, a lagoon dock, and relaxing spaces with hammocks, fire pits, and outdoor BBQ areas.

Wellness and fitness facilities include a gym, yoga area, and courts for padel and pickleball.

Families benefit from a dedicated Kids Club, children's playground, and Teens Hall, offering spaces designed for different age groups.

For those combining work and leisure, the development also features coworking facilities, a café lounge, and a social lounge bar.

A welcoming lobby and concierge services add another layer of convenience to the residential experience.

Golf, beach experiences, and the Riviera Maya lifestyle

The development's location within a prestigious golf community creates an appealing combination of privacy, nature, and recreational opportunities.

The surrounding 18-hole championship golf course, designed by Nick Price, is a defining feature of the neighborhood.

Beyond golf, the wider community offers sports facilities, landscaped outdoor spaces, and opportunities to enjoy the Caribbean coastline.

The development brochure also describes a beach access benefit for homeowners, while additional beach club, golf, and recreational privileges may require separate memberships.

This distinction allows buyers to evaluate the different lifestyle options according to their individual preferences.

With Playa del Carmen nearby, residents can enjoy the area's restaurants, shopping, entertainment, and coastal atmosphere while returning home to a quieter residential setting.

Your next home in the Riviera Maya

These 3-bedroom condos for sale in Corasol combine contemporary living, private terraces, tropical scenery, and an extensive selection of resort-style amenities.

Their location within a golf-oriented residential community makes them particularly appealing to families, international buyers, and those seeking a sophisticated Caribbean retreat.
